- The worker is to be paid income compensation at the <u>pre-injury rate of income</u> for the first 26 weeks in which income compensation is payable.
- To the extent that income compensation is payable after the first 26 weeks, the worker is to be paid income compensation at 85% of the <u>pre-injury rate of income</u>.

The rate of income compensation is not to exceed the maximum weekly rate or be less than the minimum amount under the *Minimum Conditions of Employment Act 1993* or the base award rate and the regular additional earnings component including overtime and allowances.
